

Technical drawing of a mobile office unit, showing three views: front elevation, side elevation, and a detailed floor plan.

Front Elevation: The unit is 90" wide. It features two sets of double doors (each 36" wide) and a central window (36" wide). The unit has two sets of stairs (each 36" wide) and two sets of wheels (each 36" wide).

Side Elevation: The unit is 8' high. It shows the profile of the unit with dimensions for the front door (89"), side door (38"), and rear door (99 1/2").

Floor Plan: The unit is 138" long. The interior layout includes a front door (89" wide), a side door (38" wide), and a rear door (99 1/2" wide). The unit has two sets of stairs (each 36" wide) and two sets of wheels (each 36" wide). The floor plan also shows the location of various components, including a sink, a stove, a refrigerator, and a microwave.
